The Southern Ute Drum

The owner of each tribal casino is one or more federally-recognized American Indian tribe, band, or pueblo. So I understand what it means to maximize an important vital resource. I'm the Secretary of Agriculture and Natural Resources for the tribe.

Bottlenecks to Development in Africa

In 1991 for example, developed countries are said to have received about 1361 billion US dollars from developing countries in trade transactions and transferred only about 60 billions US dollars in form of aid and grants! Further, California has tribal casinos only.

The Southern Ute Drum

He apologized for the wrongs done and hoped that this wrong be put right and restore confidence and self respect to the African way of life. The colonial administration introduced the idea of state food security to replace the traditional food security measures.
