After King Henry VIII, King Edward VI took the throne, and after his death, the reign of was the next obstacle to the printing of the Bible in English. Most congregational Puritans remained within the Church of England, hoping to reform it according to their own views. The , on the other hand, were divided over questions of and split into factions supporting a reformed , , , and.

Puritans

This era was known as the Marian Exile, and the refugees fled from England with little hope of ever seeing their home or friends again. By the time of the American Revolution there were 40 newspapers in the United States at a time when there were only two cities — New York and Philadelphia — with as many as 20,000 people in them. Two companies of British soldiers, on duty to protect the governor, retreated rather than force a bloody confrontation.

The spirit of English history

Their first whisky was released in 2013. The ban was revoked in 1681 by the English-appointed governor , who also revoked a Puritan ban on festivities on Saturday nights.
