Very well done and entertaining. I would have quit, but the story itself was good enough that I really did want to know who done it and HOW they done it. He caught the personality of each character and brought them to life as individuals - a good narrator really does make all the difference.

### Smallbone Deceased: A London Mystery by Michael Gilbert, Paperback

The book keeps you guessing about who committed the murder since it was obviously an inside job. However, when he unlocks a deed box and finds a body inside, it leads to a murder investigation.

### Smallbone Deceased: A London Mystery by Michael Gilbert, Paperback

It concerns a murder in a lawyers office. .

### Jim Smallbone Death

The book opens with a eulogy being delivered at a restaurant for the founder by one of the partners of the firm Horniman, Bi This is my first reading of this author. Written with style, pace, and wit, this is a masterpiece by one of the finest writers of traditional British crime novels since the Second World War.

### Smallbone Deceased by Michael Gilbert

It plays more or less straight. I would have quit, but the story itself was good enough that I really did want to know who done it and HOW they done it.

**Smallbone Deceased: A London Mystery (British Library Crime Classics)**

This high-quality whodunit deserves a wide readership.

**Smallbone Deceased by Michael Gilbert**

I really enjoyed by the same author, and this book was even better.
