## Library : The Life of St. Paul

Two years later, Pope Benedict XVI declared him venerable, since he was credited with a miracle. His dissertations usually had as a central theme the relationship of the soul, lost by sin and saved by divine grace. Oh, how I doubt that.

## St. Paul the Apostle

Setting sail, the evangelists continued on to Perga, Pisidian Antioch where Paul delivered his first evangelistic sermon to the Jews , Iconium, and Lystra — all cities of Asia Minor. When was apostle Paul's death? He entered the Jagiellonian University in Krakow and simultaneously to a theater school. John Calvin had a meeting with the Geneva-born reformer Guillaume Farel, who convinced him to settle in Geneva, where there was a growing Protestant community and could serve as a spiritual guide.

## St. Paul

More commonly, it is asserted that the genitive is used when a person is heard, the accusative for a thing, which goes in the same direction but yields a far weaker argument.

## A Brief Look at St. Paul's Life and Teachings

As I revisit her work over a decade later, I still understand her story, but I understand it differently.
