Textura

This is Verzierte Schwabacher by Carl Kloberg, Leipzig, 1891. A perfect copy of this edition, says the author of the Typo-graphical Antiquities, is one of the greatest acquisitions to a library of old English literature : there being a tradition abroad, that Cardinal Wolsey caused many copies of it to be burnt, and such perfect ones, in consequence, being exceedingly scarce.

Didactic fonts for children

Her SchwabachDeko attempted to be as close as possible to the original.
