**Alfred Kazin : A Biography (Hardcover)**

Drawing on the personal journals Kazin kept for over 60 years, private correspondence, and numerous conversations with Kazin, he uncovers the full story of the lonely, stuttering boy from Jewish Brownsville who became a pioneering critic and influential cultural commentator. In 2005, after a long struggle with Baghdad, the Iraqi Kurds won constitutional recognition of their autonomous region, and the Kurdistan Regional Government has since signed oil contracts with a number of Western oil companies as well as with Turkey. Just as important, throughout these years he steadily debated politics and literature with Philip Rahv, Irving Howe, Sidney Hook, Lionel Abel, Newton Arvin, Cleanth Brooks, R.

Cook provides a portrait of Kazin in his public roles and in his frequently unhappy private life. The themes of free spirit, identity search, personal fulfillment, and its opposite coalesce in Richard M.

**A new biography argues alfred kazin had special insight on alienation**

In so solidly defining Kazin in relation to his times this biography becomes one of the most successful at that in my experience. In 1942, at only 27, Kazin published a masterly study of American literature,. One characteristic making it authoritatively robust is that Cook so firmly and with certainty positions Kazin within his times and his history.

**Alfred Kazin: A Biography by Richard M. Cook**

In his 1962 memoir, Starting Out in the Thirties, he returned to the hopes of Old Left just as the New Left was gearing up. The sheer volume of accurate information about the details of particular systems of metaphysical thought is enormous.
