## New poverty and the old poor : pensioners' income in the European community

World Disasters Report Right to adequate housing. If not, how could equal protection be ensured? One of the more interesting results is that, even if all working age members of a household are at work, they may still face a poverty risk: of people living in such work-intense households, 5% are below the Eurostat poverty-risk threshold, regardless of the presence of children.

## Poverty in the European Community: Trends and debates

Among its regular surveys are the European Quality of Life Survey, the European Working Conditions Survey and the European Survey on Working Time and Work-Life Balance. Poor people are often marginalised and excluded. ## Poverty : what is it?

Alain Badiou There is a strong link between poverty and human rights.

## Poverty and social exclusion

In almost all countries of the Union participation rates of women of 15 to 24 in education and training are similar to those of men, though fewer study science, engineering and technology—related subjects.

## European Union: Unemployment and Poverty

Problem of in-work poverty Despite the fact that employment seems to be the best way out of the poverty risk, it also has to be recognised that being employed does not necessarily offer protection against poverty.

## **Poverty in Europe**

European Commission, Joint Report on Social Inclusion 2004 Until 2010, relative poverty was the main focus when monitoring poverty at the EU level. Poverty may be defined either in absolute or in relative terms; relative poverty refers to a deprivation in relation to the conditions prevailing in a country. It attacks a person not only materially but also morally.
