Zur Ergänzung dieses beschränkten Wissens hat man nur das Meinen nach wahrscheinlichen Gründen.

Paideia: John Locke und die Menschenrechte

Zitate Alter German Edition Wolfgang Hrapia. Man thus has purposes — to contemplate and to procure and preserve his life. The expansion of private property also increases the net yield to the commonwealth that is, causes economic growth — something Adam Smith was to later develop.

Freunde in der Philosophie

He had initially sided with Charles I in the first Civil War, but changed sides to fight with the Parliamentarians having become displeased with the political and religious advice afforded the King.
