Wolf Biermann on Spotify

Biermann comments on its closeness to reality. Unexpected honors He said he found it somewhat strange, but the former East German dissident was still visibly touched when he was declared an honorary citizen of the reunited city of Berlin in 2007.

Songtext von Wolf Biermann

The police was called to clear the protest and Biermann was arrested. East Germany's most famous singer-songwriter was exiled to the West in November 1976, causing an international outcry. It turned out that the Politbüro had decided to do so before the first concert in , even though this concert was used as the official justification afterwards.

Wolf Biermann, outspoken political dissident and singer

In 1998, he received the German national prize. The authorities also accepted an application for a tour through the West and Biermann left for the other part of Germany.

Wolf Biermann

Despite his successful defense of his thesis, he did not receive his diploma until 2008 when he was also awarded an honorary doctorate degree.

Songtext von Wolf Biermann

Biermann had a son with his daughter, Sibylle. Around this time, he had discovered that he was a man of the theater, and as a result, he became assistant stage manager at the renowned Berliner Ensemble in 1957. Wolf Biermann, outspoken political dissident and singer-songwriter
