## Journals and databases A

The participation of libraries in the system of scientific-technical information has presented them with a number of problems, including the coordination of their own activity with the work of informational centers, work with special types of technical publications, and use of modern techniques for processing and finding printed information. It is especially popular in the rural Midlands and North-West of the country.

## Oxford Scholarship

Letter, 12 January 1862, from Cyrus Monroe Booth of Company E, 27th New York Regiment, to his sister Emma informing her that he is sending her a picture of him, and describing the return to the regiment of 35 men captured at the first battle of Manassas Bull Run. It includes historical assessments of genre in Irish music, analyses of individual composers and compositions, and essays in cultural history. Single sign-on: log in with your or staff ID.

## Databases by SUBJECT

The pattern of exports is gradually changing, however. Journal coverage includes international material selected from periodicals in multiple languages.
