## History 101: Western Civilization I Course

De Gaulle was promoted to first lieutenant in October 1913.

### Cardinal Richelieu

In 1964, de Gaulle visited the Soviet Union, where he hoped to establish France as an alternative influence in the Cold War.

### Cardinal Richelieu

Paris' Convention government between October and December 1793 with brutal measures managed to subdue most internal uprisings, at the cost of tens of thousands of lives. In 2008, the National Institute of Statistics and Economic Studies estimated that the total number of foreign-born immigrants was around 5 million 8% of the population , while their French-born descendants numbered 6. Selon , il aurait triché sur son âge il a 22 ans, alors que l'âge requis pour être évêque est de 26 ans et, après un aveu supposé du nouvel évêque devant le , celui-ci aurait commenté d'une simple phrase : « S'il vit longtemps, il sera un grand fourbe ».

### France after 1815

The Age of Exploration Find out the history of gunpowder in the west, and learn about Machiavelli, Michelangelo and Suleiman. On 10 November 1944, Churchill flew to Paris to a reception by de Gaulle and the two together were greeted by thousands of cheering Parisians on the next day.

### Cardinal Richelieu

De Gaulle favoured a strong executive for the nation, but all three of the main parties wished to severely restrict the powers of the president.

### Jennifer Radman's Past Picks

His intrigues succeeded in preventing the proposed marriage between one of the leading Frondeurs, the with , another of his principal enemies in Paris.

## **Cardinal Mazarin**

New York: Columbia University Press. He was a supporter of popular sovereignty and nationalism. At the end of the 10,000 BC , the climate became milder; from approximately 7,000 BC, this part of Western Europe entered the era and its inhabitants became.
