Formation of the Synoptic Gospels

Most scholars would suggest that the deviations occur when Matthew and Luke choose to follow another source besides Mark. This volume focuses on the Gospel according to Mark, probably the first of the four Gospels to be written.

Other theories suggest that there may have been another source document for all three Synoptics that is thus far unidentified. As our salvation depends upon the truth of the gospel message found within these four books, and our life is to be patterned after that of Jesus, the reliability and interpretation of the gospels is imperative to our. It leads beginners through the maze of academic discussion concerning origins, authorship, and interpretation.
