## The Red Road: The Issue of Native American Education System Failure

Choosing additional readings to help illustrate this, alongside curriculum change for teachers, are practical methods to address structural and societal changes that are beyond the reach of an individual teacher.

### Tips for teaching about Native peoples

For administrators, finding funding and support for teachers and staff to collaborate is key.

### Teaching Native American History

Delivering information and discussing ideas is not bound by essentialized categories or identities.

### Teaching Native American History

**PHYSICAL STRUCTURE ISSUES** Many of these schools are in extreme states of disrepair—with leaking roofs and walls, mold, and signs of asbestos. There is absolutely no excuse not to. He is the past president of the Association of Indigenous Anthropologists and a former writer and editor in Indian Affairs at the U.

## The Red Road: The Issue of Native American Education System Failure

**LACK OF SKILLED TEACHERS** Like many rural schools in America, BIE schools are underfunded and struggle to attract and keep qualified teachers and principles, even from within their own tribe. Knowing that American Indians, like other marginalized populations, struggle to see representations of their respective cultures in writings and lessons, what, then, is a pragmatic way to teach about Native peoples of North America? **LACK OF FUNDING** The BIE schools operated by local tribal school boards are funded by the federal government **LACK OF TECHNOLOGY** In terms of educational technology, 60% of Native schools lag behind 21st century standards, often lacking the bandwidth or computer access to support online learning.

### Teaching Native American History

The policies of the U. I will end this discussion with some thoughts shared with me by an instructor of U. The field of American Indian studies takes a holistic approach that incorporates numerous academic fields such as history, psychology, and anthropology, to name a few.

### **How to Teach Native American History: The Vexing Question of Righting History's Wrong**

Do you incorporate oral histories and storytelling into your lessons? When possible, most Native people prefer being identified by their specific community. Tipis are not just shelter; they are sacred, ceremonial centers to many First Nations.

### **Teaching Native American Histories**

The book deals with Indian culture, a subject often overlooked, and deals with learning styles and a variety of methods to deal with the academic areas.
