## The clockmakers' museum— Mai Elamin's portfolio

I knew little about the history of watchmaking and thought that a collection like this would be rather dry and only of interest to those who specialise in this field.

## Wikizer0

I was so wrong and I was very glad that I did make the effort to visit this museum. It provided that the Fellowship should be governed by a Master, three Wardens and ten or more Assistants who would form the Court.

## Clocks and Watches: The Collection of the Worshipful Company of Clockmakers by George Daniels, Cecil Clutton and Worshipful Company of Clockmakers (1975, Hardcover) for sale online

The picture displayed next to this text is a sundial produced by Joanna Migdal in Oxfordshire, 2002.

## Clockmakers

This collection of clocks and watches is the oldest of its kind in the world. I found myself enjoying a collection I didn't think I had a lot of interest in.

## The clockmakers' museum— Mai Elamin's portfolio

Catalogue of the Museum of the Company of Clockmakers Including the Nelthropp Collection. A quotation from Plato in praise of measurement is engraved around the equator. Clocks and Watches: The Collection of the Worshipful Company of Clockmakers.

## Clockmakers

Since 2015 it has been housed in a gallery provided by the in South Kensington, having formerly been located in the complex in the City of London since 1874, where it first opened to the public. The collection was moved over the course of 2014—15, and the new gallery was opened by the on 22 October 2015. After the loss of many London clock and watchmakers in the plagues of 1598 and 1603, the trade consolidated and began to grow.
