Dessau

Laid out between 1769 and 1773, it covers 112 ha of pristine gardens dotted with replicas of Greco-Roman temples and Gothic Revival buildings.

Stillschweigen im Fall Pfeifer: Personalstreit im Gartenreich endlich beigelegt?

Flat topography and a dense and reasonably maintained network of bicycle paths make touring by bicycle the recommended way of getting around. Finding a parking space is usually no problem, parking fees may apply in the city centre.
