# Stein estimation under elliptical distribution, power of F-tests under student-T distribution and tests of correlation in USR models.

[s.n.] - Title and description of package in 『CRAN Task Views』

Description: -
-Stein estimation under elliptical distribution, power of F-tests under student-T distribution and tests of correlation in USR models.
-Stein estimation under elliptical distribution, power of F-tests under student-T distribution and tests of correlation in USR models.
Notes: Thesis (Ph.D.)--University of Toronto, 1986.
