Festivals of the Twelve Months

Riviere, La Ceraviiqiie dans F Art Musulvum, Paris, 191 3, vol. He was best known for his sober oil portraits of show people, clowns, acrobats, and circus performers, but was equally prolific in landscapes, still lifes, and figure and genre drawings.

Two women and a girl on the seashore

The decoration on the neck, the inscription and the lotus petals on the body are in low relief, suggesting that the piece was either carved or cast from a mold.

Moe's Books Asain Art: Japan Catalog

Two similar examples are in Japanese collections Persia Teikokii Kenkoku Nisen Gohyaku Nen KineTi: Persia Bijntsiite?! Yet, piercing the motifs and filling them with the glaze to produce an artificial translucency belongs to the tradition of pottery. Around 1910 Sheeler took up photography, and by 1912 financially supported himself photographing buildings for local Philadelphia architects.
