Data science, classification, and related methods - proceedings of the fifth Conference of the International Federation of Classification Societies (IFCS-96), Kobe, Japan, March 27-30, 1996

Springer - WELCOME TO ISROSET

Description: -

-

Classification -- Congresses.
Pattern perception -- Congresses.
Cluster analysis -- Congresses.Data science, classification, and related methods - proceedings of the fifth Conference of the International Federation of Classification Societies (IFCS-96), Kobe, Japan, March 27-30, 1996

-

Studies in classification, data analysis, and knowledge organizationData science, classification, and related methods - proceedings of the fifth Conference of the International Federation of Classification Societies (IFCS-96), Kobe, Japan, March 27-30, 1996
Notes: Includes bibliographical references and name index.
This edition was published in 1998

Filesize: 39.23 MB

Tags: #Data #Science, #Classification, #and #Related #Methods #(Mar #14, #2014 #edition)

Classification and related methods of data analysis : proceedings of the First Conference of the International Federation of Classification Societies (IFCS), Technical University of Aachen, F.R.G., 29 June

Pattern Recognition Letters, Volume 20, Pages 267-272, 1999. Workshop Franco-Portugais sur la classification, Paris, 21-22 September, 2000.

Publications

Clustering of spatial data by the EM algorithm. The experimental outcome shows that the proposed methodology improved accuracy in biometric authentication rate up to 5-10% compared to the existing method: Linear Regression Classification LRC.

Data Science, Classification, and Related Methods: Proceedings of the Fifth Conference of the International Federation of Classification Societies (IFCS

Physica-Verlag, Heidelberg, 1992, 284 S. A Gaussian Parsimonious Clustering Model Allowing different size clusters. In addition, most of other search engines uses Google search pattern so we have concentrated on it.

A heuristic alpha

Conference Publisher: Tokyo ; New York : Springer, ©1998. Clustering of Spatial by Optimizing a Fuzzy Classifying Likelihood.

publications

Self-Organisation for Gaussian Parsimonious Clustering.

WELCOME TO ISROSET

Latent budget trees for multiple classification, in M. Manual polluted leafs identification task is time consuming process. Analyse de données, Paris, Pages 263-292, Hermes, 2003.

Data science, classification, and related methods : proceedings of the fifth Conference of the International Federation of Classification Societies (IFCS

Selected Contributions in Data Analysis and Classification.

Data Science, Classification, and Related Methods: Proceedings of the Fifth Conference of the International Federation of Classification Societies (IFCS

Classification et Modèle de mélange ; application aux données spatiales.

Self-Organisation for Gaussian Parsimonious Clustering.
