It must be emphasized that there is no 'one' Arab culture or society. A major tactic used by many terrorist groups is Cyber Terrorism.

Homeland Security Digital Library

One could argue that only an LMS or only a CMS is needed, but there are legitimate reasons to employ the capabilities of both. How does TRADOC and its subordinate commands balance the cognitive load, the training time to have soldiers learn a wide variety of objectives but also have mastery of essential skills? Flipped classroom is a model that involves instructors having students interact with new material for homework first.
